— **I'm coming to save you.**

Sara has a dagger in her hand and has it pointed to her throat.

Leon **Sara!**

Sara **Please stay away!**

Leon **Sara, calm down.**

— **Did you hear us talking?**

Sara nods silently

Leon **It's okay. Please trust me.**
— **I will save you, you'll see.**

Sara shakes her head.

Sara **I appreciate how you feel but I have no time left.**

Leon **No time...?**

Sara **I can feel it.**
 My heartbeat is weakening and my blood is growing cold...
 I can feel myself changing into something inhuman...
 If my soul can save others, then I won't die in vain.
 I don't want anyone else to suffer my fate

Leon cannot express himself in words

Leon **Why...**

Sara **Please. If you still love me, please grant me my final wish.**

Leon I cannot...

Rinaldo You dishonor yourself, Leon.
How do you think Sara feels...?!

Leon I know, Rinaldo!
— I do know, but...

Sara nods.

And she drops the dagger and clasps her hands in front of her chest. (prayer pose)

Rinaldo Leon... All that is
needed now is your resolve.

Leon looks at Sara.

Sara looks once at Leon, then closes her eyes and looks upward.

Sara Leon... I will be with you...

Leon Rinaldo!
— What must I do?

Rinaldo Now!
Use the whip against Sara!

Leon I swear to you!
— No more will suffer your fate!

Sara Thank you, Leon...

Sara slowly collapses.

And a vast bundle of light gathers to Leon's whip.

Leon is enveloped in light.

When the light disappears, Leon is standing there in a daze.

Sara's body is on the ground.

Leon Sara...

Walter Berunhunt Age unknown about 42 Male

It is unknown since when, but he is a Vampire who has been living in the frontier forest. His magical power is tremendous and he has the ability to make the forest into an endless night. (Actually that is power of the item)

Walter helps Mathias with his plot, so he can get his gem.

There is a legend that the Vampire who gets the above item will be the most powerful.

To get Belmond's territory, Mathias asks Walter to kill him.

Belmond is the last successor. Walter attacks Belmond's territory and kidnaps his fiancée.

The night clan are the strongest in their own territory, and that is why Mathias wants to draw Belmond to his.

WALTER AUDITION SIDES

Scene 1

Walter Welcome to my castle.
— Pleased to meet you.
— I am the master of the castle,
— Walter Bernhard.

Leon Give back Sara!!

Sara comes into clear view for the first time.

Walter Do not rush.
— Your lady is here.

Leon Sara!! Why? Why won't she answer?

Walter It seems the lady is tired.
Hmm, it seems you are, too.
Rest a while...

Walter's eyes mysteriously shine red

Leon What...?

Leon suddenly falls to his knee...

Walter's eyes shine even more brightly.

Leon endures and he jumps at Walter to strike at him, but it is totally ineffective.
He is deflected by the cape.

Walter Well...
— That whip is Rinaldo's, is it?

Leon It can't be! My attack doesn't work...

Walter I see. It's just as that knight said. Very well...
— You've made it this far. I'll return her as a reward.

And he tosses Sara to the lower floor.

Walter I'll be in the throne room on the highest floor.
— I look forward to you making it there alive.

Walter laughs loudly.

WALTER

Scene 2

Walter Welcome.
— I have been waiting, Leon.

Leon Walter...
I will never forgive you.

Walter I see...
— It seems you have enjoyed
— the gift that I gave you.

Leon Grr...
Got angry but seems to have controlled himself
Yes, thanks to that, I now
have the power to defeat you.

Walter slowly stands up (after "...is quite something" below)

Walter Well, that power...
— ...is quite something.
— But I am beloved by the night.
— You will taste my powers.

Leon I'll kill you AND the night!

Walter Interesting... Now, the curtain
— rises on this delightful game.

NARRATOR AUDITION SIDES

Prologue

In this age, one company of knights was said to be invincible due to two men: Leon Belmont, a courageous man who feared nothing and whose combat abilities were second to none, and Mathias Cronqvist, a genius tactician, whose learning made him an exception in a largely illiterate society. They trusted each other completely, and they were bound by an old friendship.

The forest is swollen with darkness, as if it would rob away everything, and only moonlight provides a ray of hope. A great legend is about to begin.

Epilogue

And so the story of the Belmont Clan's struggle against evil begins. However, Mathias and the Belmonts will not meet again for hundreds of years. Mathias goes into hiding in foreign lands and continues to curse God for eternity. Eventually, he names himself Lord of the Demons, King of the Night.

The years before their next meeting pass slowly and quietly, but with finality: the intermission in this exquisite play from which two souls will never escape.

Renald Gandlefy: Age 48 Male

He used to be the palatial alchemist. His daughter became a Vampire 10 years ago, and it tore his family apart. For this reason he became a Vampire hunter and had to kill his daughter. He retired from hunting 3 years ago because he is badly injured. He lives at the entrance to a castle, and supports a hunter who attempts to defeat a Vampire with a large bounty on his head. The medicine he produced is very effective. The night clan cannot approach his house because there is a special shield that Renald has created. People say that he has created a masterpiece weapon, a whip.

RINALDI (RENALD)

Scene 1

Rinaldo Now, don't get so excited...
— I'm just an old man.
— I just came to gawk at the man
— crazy enough to come here.

Leon Why are you living in a place like this?

Rinaldo I have unfinished business with Walter Bernhard,
— the master of this forest.

Leon But, you're not in danger, living so close to him?

Rinaldo It seems eternal life is extremely boring.
— He enjoys playing at cat and mouse with
— the hunters that come here, though, of course,
— there is no way that he could ever lose...
— He thinks my helping hunters
— makes the game more fun.

Leon I see... But what do you mean by there being
no way he could lose?

Rinaldo Vampires are loved by the night, and this forest
— is locked in eternal darkness.
— He has never been defeated.

Leon Rinaldo, thank you.

Rinaldo Wait a minute. I forgot to tell you something.
— The door leading to his throne is guarded by
— five monsters.

Rinaldo If you have troubles, come back here any time.
— They won't be free, but I'll keep potions on hand
— for you.

RINALDI (RENALD)

Scene 2

Leon **About your daughter...**

Rinaldo suddenly is displeased .

Rinaldo **I don't know what you heard, but
— you don't need to know any more.**

Leon **Rinaldo, you have helped me so
much. The least I can do for you
is listen to your story and
support you in your suffering.**

Rinaldo **Needless meddling...
— Very well, I'll tell you.
— It was five years ago...
— A cold night with a full moon.
— I returned home from picking
— herbs necessary for the secret
— arts and what greeted me was
— a sea of steaming blood.
— And at the center of it were
— the bodies of my wife and son...
— I could not believe my eyes...
— My daughter was there, laughing,
— blood dripping from her mouth...**

Leon's face grows stiff. (if possible)

Leon **She was turned into a vampire?**

Rinaldo **That's right...
— By Walter...
— My daughter went out a window
— without looking at me once.**

— When I recovered, I built
— the whip with alchemy.
— Then, I searched for her...

Leon I see. I've heard enough!
So this is what you meant
when you said you owed him...

Rinaldo I challenged Walter,
— but nothing came of it.
— That is why I live here and help
— those who wish to fight him.
—

- PR_00_01 In an era long past, as monarchies weakened, local feudal lords grew in power. The first knights simply protected their lords' domains. However, with the reforms of the late 11th century, knights became protectors of the peace. They valued courage and honor, fighting heretics and heathens in God's name.
- PR_00_02 In this age, one company of knights was said to be invincible due to two men: Leon Belmont, a courageous man who feared nothing and whose combat abilities were second to none, and Mathias Cronqvist, a genius tactician, whose learning made him an exception in a largely illiterate society. They trusted each other completely, and they were bound by an old friendship.
- PR_00_03 However, sorrow awaited Mathias upon his return from a victorious campaign. It was news of the sudden death of his beloved wife, Elisabetha. Mathias's grief was profound and he became bedridden.
- PR_00_04 A year has passed since then. Thanks to Leon's efforts, their company remains proudly undefeated.

PR_00_05 However, a mysterious army of monsters suddenly appears in Leon's domain. The Crusades are raging in the East, and since the Church is focusing on fighting heathens rather than monsters, it has forbidden unauthorized battles. Leon wants permission to sortie, but the Church has no intention of granting it.

PR_00_06 One night, Mathias struggles from his sickbed and tells Leon that the appearance of the monsters is tied to a vampire, who has a castle in the Forest called Eternal Night, and that Leon's betrothed, Sara, has been kidnapped and brought to that castle.

PR_00_07 Leon realizes that he must renounce his title to rescue his beloved.

PR_00_08 The forest is swollen with darkness, as if it would rob away everything, and only moonlight provides a ray of hope. A great legend is about to begin.

3			Scene 5-1: Before Battle	
4				
5			There is a single youth sitting in the room past the waterfall.	
6			At first, there is only the sound of the waterfall, then there is	
7			the vague figure of a person.	
8				
9	00.20.20.16	LE_05_01	Leon	(cautiously) Is someone there?
10	00.20.22.25			(a bit braver) Are you a prisoner here?

15				
16	00.20.51.04	LE_05_03	Leon	(cautiously) My name is Leon.

Hi Kevin,

I checked this dialogue list with VHS tape and put some note.

This is almost perfect script except several things. Death and Medusa are not in the picture, however voices are there.

Yutaka is checking my translation for character description, I will send you as soon as Yutaka finish. (He has done, I attached)

But, I probably can not make the audition sheet that you gave me a sample, because information was not enough to make it.

Anyway, if you have any questions give me a call.

Thank you

Haruyo

Dear Kevin & Haruyo,

Here's the loop count and breakdown for Castlevania. The last workbook sheet, labled LOOP COUNT will give you the new totals. They are higher than first anticipated, because some of the files contain many loops. But I think, depending upon the actors, we can shoot for 35-37 loops per hour, which would still put us at 2.5 days of recording.

call me tonight after 10:15 (Sopranos season finale is on) and I'll answer any questions.
